Please note: All available space on the tour has been reserved by Council members and there is a waiting list. If you are on the waiting list and space opens up, Joan will call you.

Metal sculptor Albert Paley is more than a local treasure; he is an artist of both national and international stature. We are fortunate to have an opportunity to visit his studio where we will follow his projects from inception to shipping. His Studio Director will lead the tour, but Albert will join us in the design area to discuss his process. For more information on Paley, go to www.albertpaley.com.

IMPORTANT TOUR DETAILS:

If possible, please car pool since parking is limited.

For safety reasons, the group will have to be escorted into the building. The tour begins at 10:15; your promptness will be appreciated.

For safety reasons, please do not wear open toed shoes.

Since you may get dirty, you may want to avoid wearing light colored clothing.

There is no elevator and a 2-story staircase to climb.

The following books are available for purchase and signing. Check or credit card is best since there is limited cash available to make change. If you own a Paley book and would like him to autograph it, bring it with you.

DIRECTIONS:

Take 490 West to the 390N exit. Stay in the right lane onto the Lyell Ave. exit (31).

Turn right onto Lyell Ave.

Turn right at the next light (about 1/4 mile) onto Harcourt Road. You will be in an industrial park.

Follow the road past Spinergy, under the overhead "scaffolding", around the curve.

Take the first left after the curve. Look for the PALEY STUDIO sign; you can identify the building by the adjacent picture.

The studio address is 1677 Lyell Avenue, Suite A.

If you get lost, call Joan's cell, 530-9472.
