“A piece of the Gallery”

Get friends with birthdays who already have everything? Give ‘em a piece of the Gallery… So began the announcement of MAG’s new Tribute Fund in the September 1975 Gallery Notes. More than a quarter-century later, the idea is an unqualified success. In the last decade alone, gifts to the fund have totaled more than $180,000.

And donors do indeed give “a piece of the Gallery.” Undesignated gifts are used for art acquisitions.
