Art Tours Committee presents:

CELEBRATING TIFFANY WINDOWS

September 19, 2012  8:30 to 4:30

CELEBRATING TIFFANY WINDOWS tour aligns with the Memorial Art Gallery’s “In Company With Angels” autumn exhibition. This is a national tour developed to display seven windows created by Tiffany studios in N.Y.C., at the beginning of the 20th century. These windows have been in storage since 1964. Now these magnificent eight-foot tall windows, named for the angels of the Bible’s book of Revelation, have been beautifully restored and are ready for viewing. In addition, several other examples of stained glass will be displayed, including pieces by Rochester’s own Pike Studios.

Our day will include visiting five locations in Rochester with Tiffany windows. Valerie O’Hara, of Pike Stained Glass, will lead the trip, comparing Tiffany, Pike, and other designs and styles of stained glass. We will conclude the trip at her studio, which has been in business for 104 years. Her great uncle, William Pike, founded the studio after working for Louis Comfort Tiffany in New York City. We will have a lovely lunch at the Chatterbox Club, and wine & cheese reception at the studio.

- Cost of the trip will be $85 for Gallery members and $95 for non-members. The price includes transportation, lunch, gratuities, and donation to the Gallery Council of the MAG.

- Make checks payable to: Gallery Council of the MAG and mail with the form below to:
