7:30 am to 6:30 pm

Munson Williams Proctor Art Institute
& Holy Trinity Monastery, Jordanville, New York

Enjoy a day long trip in New York State while learning of the cultures from two continents: of ancient Egypt and of Russian Orthodox Monastery.

In the morning we will tour a special exhibit Shadow of the Sphinx at the Art Institute

Since the dawn of recorded time, no civilization has mesmerized and influenced the world like ancient Egypt. The fascinating culture and its impact are explored in this exhibition. This exhibit presents ancient Egyptian work never before brought together from private collections and museums.

The ancient tomb relics include a sarcophagus, a selection of mummy masks, a canopic jar, and shabtys. Included is an ancient broad collar of colorful beads, a silver snake form bracelet, vivid scarabs, and gold amulets. These art works permeate Egyptian inspired paintings, sculpture, and decorative arts from the 19th and early 20th centuries.

We will have lunch at the Waterfront Café situated on the Mohawk River.

Five miles up the road will be the Holy Trinity Monastery where we will be met and shown the millennium bell-tower-baptistry, the brotherhood cemetery and museum. The monastery building and refectory are covered with beautiful paintings and frescos. There is a chapel at the cemetery dedicated in memory of the Royal Family and the New Martyrs who were slain by the Soviets.

The Monastery includes impressive onion domed buildings of which the Seminary is the most esteemed theological School of the Russian Orthodox Church outside of Russia.

Cost is $140.00 per person (members) and $150.00(non members)
