WELCOME TO THE MEMORIAL ART GALLERY

Enjoy your time in the Galleries. In order to make the visit pleasurable for all, we ask that you follow the guidelines below:

- Please do not touch; natural oils and dirt from your hands can damage delicate artwork. We recommend staying 12 inches back to avoid touching the works by accident.
- Do not lean on art cases or walls.
- No photos are allowed in the Grand Gallery or of works with this icon. No flash photography or video past this point.
- Please use regular or color pencils only when making notes or drawing in the Galleries. No pens, ink or markers.
