OFF TO OTTAWA!

A SPECIAL THREE DAY TWO NIGHT TOUR FOR YOU

June 24th, 25th, and 26th, 2011

Brimming with history, Ottawa is more than just Canada’s Capital, it is a city surrounded by fabulous green spaces, waterways and architectural treasures. We’ll stay at the elegant Fairmont Chateau Laurier, located between the Parliament Buildings and the Rideau Canal (a UNESCO World Heritage Site). The hotel, built in 1912 in the style of a 16th Century French chateau, provides outstanding service and a refined elegance that will make our stay in Ottawa a special experience.

Included in our visit will be:

• An audio guided tour of the blockbuster Caravaggio and Friends Art Exhibit at the spectacular National Gallery of Art, designed by noted architect, Moshe Safdie.
• A special cooking demonstration and dinner at Ottawa’s Cordon Bleu, the only North American branch of the world famous cooking school.
• A docent tour of the exhibits at the Museum of Canadian Civilization.
• A visit to the Byward Market, one of Canada’s oldest and largest markets overflowing with shops, arts and crafts, restaurants, and a Speakers Corner.
• A boat ride on the Ottawa River from which we will view Ottawa’s unique architecture including the Parliament Buildings.

We travel by luxury motor coach, leaving the MAG Goodman St. parking lot at 8:00 am, Friday, June 24th, and returning to the lot in the evening of Sunday, June 26th. The cost is $970 for gallery members and $995 for non-members. The price includes transportation, museum entrances, 2 lunches, 2 breakfasts, 3 dinners, a two night hotel stay, all taxes and gratuities, and a donation to MAG. Single occupancy add $215.

Reservation deadline is February 10th, 2011. Only postmarked reservations are accepted on first come first serve basis. Questions? Call Sue Meyerowitz (442-9818)
