

# Summer 2022 ART CAMPS

## Welcome to the Creative Workshop's art camps!

Now in its 24th year, our fabulous all-day Art Day Camp (ADC) is designed for children ages 6–13 during school breaks. They enjoy high quality (and very fun) art projects, visits to the museum to see original works of art, lunch breaks and daily recreation breaks. Two age groupings—6–8 (junior) and 9–13 (senior)—allow kids to learn about art techniques, strategies, and materials as they make art they can be proud of.

We're also offering Clay Camps for children ages 7-9 (junior) and 10-15 (senior) in July, along with two Art & Writing camps offered in collaboration with Writers & Books.

*Please note: If your child enrolled in Art Day Camp in February or April 2022, you do NOT need to fill out the forms on pages 6–7.*

### Here's what parents are saying about our camps:

*My child loved...*

"...creating and drawing his own superhero."

"...walking through the Gallery. All of it!"

"...the different daily creations."

"...everything! She said it was super fun."

"I think the world of your programming, the inclusive nature of the environment, the access to quality materials and the diversity of the teachers and attendees."

"Aria loved the experience of her summer art camp, A-Z. The best indicator is that she got up in the a.m. before the alarm because she knew she was coming to the MAG!!"

"The teachers kept them busy so they didn't get bored. There was always something fun for them to do."

## General FAQs

*How are classes divided?* When you register we assign your child to one of two groups based on age and class dynamics. In most cases, the junior group is ages 6–8 and the senior group 9–13. For Art Day Camp, each group enjoys a morning class with one of the day's teachers and an afternoon class with another.

*Can I sign up my child for morning/afternoon only?* No, camps are all day, for the full week because each day consists of interrelated classes with a common theme. Interested in half day summer classes for kids? Watch for our full summer brochure published in mid-May.

*When does the day begin and end?* Instruction begins at 9 am and ends at 4:30 pm, but you may drop off your child as early as 8:30 am and pick up as late as 5 pm. There is no extra charge for this supervised pre-care/after-care.

*What do kids do during classes?* Our curriculum emphasizes artistic skill-building (especially drawing, painting, and sculpture) through creative projects. Instructors plan flexible lessons, give thorough demonstrations, and work individually with students to help them realize their own artistic strengths. Children make confident, exciting and increasingly ambitious art projects.

*Do you provide lunch or snacks?* No, students should bring a lunch, two snacks (to each during breaks) and a drink (in a non-glass container, please) from home. We recommend that snacks be packed separately from lunches so your child is not tempted to each lunch at snack time. No refrigeration or silverware is provided.

Labeling your child's lunch and leak-proof beverage container helps us avoid confusion and helps your child locate their meal. *Water fountains are closed until further notice so please make sure you send your child with enough to drink for the day.* **NOTE ON FOOD:** In an attempt to accommodate kids with allergies, we ask that you avoid sending foods containing nuts or nut products.

*What do kids do during breaks?* Twice a day (morning and afternoon), children get breaks to walk, stretch, relax and enjoy a snack brought from home. During the supervised hour-long recreation break (before the afternoon class), children may choose to relax and read or draw or be actively involved in games or other physical activities (indoor or outdoor, depending on the weather). *Make sure your child is dressed for the weather. No flip flops or jelly shoes, please. This is the only time a child can use a tablet or phone brought from home to reach or play games.*

*Will I receive a registration confirmation?* Online registrations automatically generate an email acknowledgment. Anyone registering in-person or by mail-in check can request a confirmation/receipt with tax ID # sent by email.

*More questions?* Contact Rachael Baldanza at 585.276.8956 (rbaldanza@mag.rochester.edu).

## How our camps use the museum

We bring the campers into the museum, or on the MAG grounds, often to see art around the world and back in time. Using strategies designed to teach kids to look more carefully, we help them learn to make creative decisions based on other artists' work and realize some of the many things we all have in common.

## ADC SUMMER 2022

WEEK 3 (July 25-29) {22CSU22}

[taught by Jason Ferguson, Laura Garland, Sara Blake & Kim Kurtz]

*For general info about our camps, see page 2.*

## Clay FAQs

*Can I sign up my child by the day for Clay Camp?*

No, Clay Camp is by the week only because clay projects need time to be created, dried, fired to bisque, glazed or painted, and if glazed, fired again.

*I'm interested in half-day summer classes for my child. Will you be offering these?*

Yes. Information on half-day classes will be released mid May, with registration beginning May 18.

*How should my child dress for Clay Camp?*

The clay used for our camps is a red earthenware, which can stain clothing. We recommend campers wear messy T-shirts, jeans, sneakers or closed toed shoes. No open toed shoes.

*Will my child be working on the wheel?*

Clay & More students will have at least one experience on the potter's wheel. Students younger than 10 cannot work safely on the wheel.

# ART & WRITING CAMPS

## SUMMER 2022 *offered in collaboration with Writers & Books*

The Creative Workshop is partnering with Writers & Books for these all-day camps taught by two master teaching artists—a writer and a visual artist. In both, students will spend mornings at Writers & Books (just up the street from MAG) and afternoons at the Creative Workshop and be walked by teaching assistants between sites during the lunch hour. This camp runs from 9 am to 4 pm.

JULY 18–22:

**WRITE & ILLUSTRATE** (ages 10–14)

[taught by Tracy Cretelle & Lizz DeSimone]

Create your own fantastically illustrated and imaginatively written story. You'll learn how to illustrate an idea, choose a fitting style, and draw things you don't know how to draw plus learn the basics of plot, character, and setting, all using juicy language. You'll also spend time drawing in the museum. At the end of the week, you'll take home your own illustrated books.

{23CSU22}

AUGUST 1–5:

**TELLING TALES** (ages 7–9)

[taught by Rylie Day & Amy J. Fisher]

Create your own characters and explore your own story ideas while learning at the hand of master teaching artists, a writer and a visual artist. You'll learn the tools of the trade—how to illustrate an idea, choose a fitting style, and draw things you don't know how to draw—and learn the basics of plot, character, and setting, all using juicy language. At the end of the week, you'll take home your own comic or story book and illustrated mini stories. We'll also spend time drawing in the museum.
