Creative Workshop, Rochester’s art school for all ages, has a class for you.
Spring is a glorious time for color, growth, and new experiences. Here at the Creative Workshop, we have planned for a great Spring with both SHORT programs (opportunities to learn something quickly, see next page!) and more thorough, longer classes to really engage your creativity.

We are thrilled to offer new classes this session for adults (Cast Drawing, Stained Glass and History of Photography) and children (Art Studio Inspired by the Museum and Art Inspired by Cartoons.)

In all of our studios, you can and will learn to work with color, shape and form—in your glazed ceramic vessels, your enamel pendants and your watercolors. Join us March 10 for our Spring Open House to really find the class or opportunity you or your children need to make art of your own.

As always, we encourage you to call, email or stop by with your questions and suggestions!

she said yes!
When Ravi Mudaliar proposed to the love of his life, he didn’t just buy her a ring from a store. Although he had no experience in jewelry making, he gave her a ring of his own design, created during several weeks of private classes with Workshop instructor Mark Thone. Ravi and Sayali plan to marry in India in May.

DOCENT GALLERY
Reflections on Place: Javier Téllez
Opening April 20 in the Docent Gallery
Shooting on large-format film, artist Javier Téllez will create a single-channel installation that focuses on history, photography and cinema. His film will explore the tension between the still photo and the moving image, contrasting the artificiality of Kodak’s advertisements with the racial and social inequality of the 1960s. Téllez is internationally recognized for his collaborations with mental health patients, who help write and act in his film works.

LOCKHART GALLERY
Wards of Time: Photographs of Antiquities by Larry Merrill
April 20–August 5
Talk with Larry Merrill: Thursday, May 3, 7 pm
This exhibition includes images from an ongoing series by Rochester photographer Larry Merrill.
As part of the series, Merrill visited MAG’s storage and photographed 3rd-c. BCE miniature sculpted Egyptian heads, which will also be on view in the show. These photographs offer a meditation on time and decay, on the museum artifact, on history, and on our own mortality.

Larry Merrill is well known at the Memorial Art Gallery, where he served as director of the Creative Workshop from 1986 to 2008. Indeed, it was Merrill who “discovered” Josephine Tota (below) and persuaded her to have a Burne Gallery exhibition—her first—in 1990.

LUCY BURNE GALLERY
Each Creative Workshop student—adult, teen or child; newcomer or “regular”—has a chance to show at least one piece of artwork in the Workshop’s Burne Gallery.
To learn more, contact Rachael Baldanza, curriculum director, 585.276.8956 (rbaldanza@mag.rochester.edu).

The Surreal Visions of Josephine Tota
July 14–September 9
Born in Italy, Josephine Tota (1910–96) came to Rochester as a child and spent much of her adult life here working as a seamstress.
In the late 1940s, she discovered painting as a means of dealing with personal tragedy. She studied first at RIT’s downtown extension, and then, beginning in the 1960s, with Al Melenbacher, Fritz Trautmann and Carl W. Peters (shown with her here) at the Creative Workshop. A friend, artist Miriam Sellers Lapham, urged her to try tempera painting; it would prove to be a breakthrough in Tota’s artistic development.

The Surreal Visions of Josephine Tota will include 14 tempera paintings from MAG’s collection, augmented by approximately 70 from private lenders. It’s not the first MAG show to highlight Tota, however; in 1990, with the encouragement of Creative Workshop director Larry Merrill, she exhibited in the Lucy Burne Gallery.
