Creating Digital Exhibitions and Portfolios

Create digital portfolios of student work and develop collaborative online exhibitions in your classroom! Join Librarians Joe Easterly and Kim Hoffmans from the University of Rochester in a participatory workshop where you will learn creative applications using Omeka software. This will be a hands-on evening where we plan and build a digital exhibition. Bring your computer and creative energy.

Articulate! Conversations Between Art and Voice

Come explore the potential of art and word in this workshop that focusses on art in the Memorial Art Gallery and Poets Walk located nearby on University Avenue between Prince and Goodman Streets! This in-service will provide an introduction not only to poems on the walk, but to the idea of ekphrasistics where the sculptures outside the Memorial Art Gallery and the artwork inside enter into lively conversation with the tiles and pavers of poems. Kitty Jospé, docent, poet, teacher will share ideas on creative writing using art and word as tools for heightening understanding through sharpened attention.
