FALL 2018 ART CLASSES

THE CREATIVE WORKSHOP IS ROCHESTER’S ART SCHOOL FOR ALL AGES.
As Rochester’s art school for all ages and an important part of the museum’s connection to the community, we are pleased you have found this brochure of our Fall offerings. Every Autumn our region glows in the glorious colors of fall leaves and this year you can draw inspiration from that and from a show of the work of Claude Monet in the museum. It’s a fantastic time to create!

We have something for everyone—from very SHORT programs that get you started to more thorough classes teaching you to draw, paint, make pottery, create jewelry, and weave. Our children’s classes are fun, dynamic, and include opportunities to express a young person’s ideas and interests. Our adult classes provide chances to learn new skills, open your creativity, and make new friends. We have seen people grow into artists that they didn’t think that they could be!

We hope to see you soon!
