# Creative Workshop Open House Schedule Saturday, March 9, 1–4 pm

*What's going on today?  
We're making animal art & getting excited about Spring classes.*

## **CLAY STUDIO: FROM 1–4pm**

With teachers Rose VanTyne, Lisa Pelletier-Myers & Jason Ferguson

Today we're making animals and habitats out of clay. Help us welcome Spring by adding your animal to our farm, ocean or zoo! *Please note that projects made today will not be fired*

## **JEWELRY STUDIO 1: FROM 1–4pm**

With teacher Joanne Lachiusa & adult student guests

Most species (and most humans) decorate themselves to impress others. Learn to make jewelry and you can too. Bring a piece of jewelry in and we'll (not really) take it apart and tell you how it's made.

## **ART STUDIO ART DAY CAMP & WATERCOLOR JOINTED ANIMALS STUDIO 8 & 10: FROM 1- 4pm**

With teachers Aly Webster, Cynthia Iannaccone & invited guest Margot Fass

We'll play with watercolor materials, explore creative animal flat puppets, and enjoy. Learn about our super fun Art Day Camp program for children in 8 fun weeks this Summer!

We'll talk and paint frogs with Margot Fass, author, artist and frog enthusiast. Margot is a former Creative Workshop teacher and current student.

## **CREATIVE FAMILY STUDIO ANIMALS AS WE SEE THEM STUDIO 7: FROM 1- 4pm**

With teachers Sara Blake & Casey Cardillo

We'll make animal masks or animal finger puppets in this studio! Open to young children and their parents; use materials and advice from our teachers to inspire your children to make art connected to their interests.

## **PAINTING & FIBERS STUDIO 9 & 11: FROM 1–4pm**

With teachers Grant Lounsbury, Mimi Smith & Joe Tarantelli

Animals give us fibers and inspiration! Learn by doing as you create a colorful mini painting. Join us to learn more about weaving and making fiber work for kids and adults.

## **DRAWING INSPIRATION FROM THE MUSEUM BURNE GALLERY & MAG: FROM 1- 4pm**

With teachers Sarah Hart and Faith Gruver

Enjoy the **Early Spring: Adult & Teen Student Show** on view in the Lucy Burne Gallery. Feel free to bring in your own artwork, sketchbook, or ideas of what you want to make for a constructive critique from our teachers or an opportunity to draw with us.

*Please note:* Families are welcome in any open classroom but we ask that parents stay with children.

*We also may limit classrooms when they have reached capacity.* Teachers and demonstration times subject to change
