Welcome to the Creative Workshop’s art camps!

Now in its 23rd year, our fabulous all-day Art Day Camp (ADC) is designed for children ages 6–12 during school breaks. They enjoy high quality (and very fun) art projects, visits to the museum to see original works of art, lunch breaks and daily recreation breaks. Two age groupings—6–8 (junior) and 9–12 (senior)—allow kids to learn about art techniques, strategies, and materials as they make art they can be proud of.

Also again this year, we’re offering Clay Camps for both age groups during winter and spring breaks.

Here’s what parents are saying about our camps:

- My child loved…
  “…creating and drawing his own superhero.”
  “…getting to spend time walking around the art gallery.”
  “…the different daily creations.”

- “I think the world of your programming, the inclusive nature of the environment, the access to quality materials and the diversity of the teachers and attendees.”

- “Aria loved the experience of her summer art camp, A-Z. The best indicator is that she got up in the a.m. before the alarm because she knew she was coming to the MAG!!”

- “Well run, great camps, varied projects—my daughter has loved both camps she has attended.”

General FAQs

How are classes divided? When you register we assign your child to one of two groups based on age and class dynamics. In most cases, the junior group is ages 6–8 and the senior group 9–12. For Art Day Camp, each group enjoys a morning class with one of the day’s teachers and an afternoon class with another.

Can I sign up my child for morning/afternoon only? No, Winter and Spring Art Day Camp is by the day or the week because each day consists of interrelated classes with a common theme. Clay Camp is by the week only.

When does the day begin and end? Instruction begins at 9 am and ends at 4:30 pm, but you may drop off your child as early as 8:30 am and pick up as late as 5 pm. There is no extra charge for this supervised precare/aftercare.

What do kids do during classes? Our curriculum emphasizes artistic skill-building (especially drawing, painting and sculpture) through creative projects. Instructors plan flexible lessons, give thorough demonstrations, and work individually with students to help them realize their own artistic strengths. Children make confident, exciting and increasingly ambitious art projects.

What do kids do during breaks? Twice a day (morning and afternoon), children get breaks to walk, stretch, relax and enjoy a snack brought from home. During the supervised hour-long recreation break (before the afternoon class), children may choose to relax and read or draw or be actively involved in games or other physical activities (indoor or outdoor, depending on the weather). Make sure your child is dressed for the weather. No flip flops or jelly shoes, please.

Do you provide lunch? No, students should bring a lunch and a drink (in a non-glass container, please) from home. No refrigeration or silverware is provided. Labeling your child’s lunch and leak-proof beverage container helps us avoid confusion and helps your child locate their meal. Water fountains and vending machines are closed until further notice so please make sure you send your child with enough to drink for the day.

Do you provide snacks? No, students should bring two snacks from home to eat during breaks. We recommend that snacks be packed separately from lunches, so that your child is not tempted to eat lunch at snack time.

Will I receive a registration confirmation? Upon request we will provide a confirmation/receipt with tax ID # via email or US mail.

More questions? Contact Emily Fitzgibbon at 585.276.8959 (efitzgibbons@mag.rochester.edu) or Rachael Baldanza at 585.276.8956 (rbaldanza@mag.rochester.edu).

How our camps use the museum

We bring the campers into the museum often. Using strategies designed to teach kids to look more carefully, we help them learn to make creative decisions based on other artists’ work and realize some of the many things we all have in common.

During the Winter ADC and Clay Camp, we will use the museum to see art around the world and back in time. During the Spring ADC and Clay Camps, we will draw and look at artwork on the MAG grounds.
All week we explore cool artworks from around the world and back in time.
