

## **DRAWING IN THE GALLERIES CLASS**

### **TAUGHT BY BROOKS GIRSCH 2022**

At first class we will discuss your plans/goals and the benefits of the materials below. You do not need to buy everything on this list.

#### **Primary materials (needed):**

- A sketchbook will be developed throughout the class, becoming a collection of your work and artistic growth. You could get a 11x14 size sketchbook
  - Look for one with a hard back to make drawing in the museum easier
  - 100 page, 11 x 14 sketchbooks are for sale in the Creative Workshop
- 4H, HB, B, and Ebony drawing pencils

#### **Additional materials (optional):**

- H and 3B drawing pencils(for sale in the Creative Workshop)
- White eraser(for sale in the Creative Workshop)
- Kneaded eraser(for sale in the Creative Workshop)
- Enclosed sharpener (could be a metal sharpener in a ziploc bag)
- Colored pencils
  - Consider getting watercolor pencils (most have a little icon of a brush on them) because these can be used in the galleries and then a wet brush can be added later for added oooooomph!
  - Can be purchased individually or in kits

#### **Where to get supplies:**

We suggest Rochester Art Supply (on East Main St in Rochester [www.fineartstore.com/](http://www.fineartstore.com/)) or The Art Stop (on Penfield Road in Penfield - [WWW.ARTSTOPLLC.COM](http://WWW.ARTSTOPLLC.COM)). These stores will allow you to return unopened supplies for exchange or refund. You may also find these items on the art supply websites ( [www.dickblick.com](http://www.dickblick.com) for less expensive student grade or <https://danielsmith.com/> for higher quality paints).
